STREAMBANK STABILIZATION FOR LANDIS LAKE DAM

Summary

The Town of Landis, hereafter referred to as the “Town”, is accepting Proposals from contractor/construction vendors or a team of vendors for an upcoming project at Landis Lake Dam. The project consists of removing vegetation, overgrowth, and meeting NC DEQ guidelines. Qualified vendor(s) will be able to provide the following services/needs for this project.

- Applying and obtaining all proper permits

Proposal

Vendors are required to submit a proposal that presents the vendor’s qualifications and understanding of the work to be performed. Before submitting a proposal in response to this request, a walkthrough of the site will be offered. A walk-through tour will be held on Wednesday, November 6, 2024, at 10:00 AM. **SEALED** proposals must be clearly marked “Lake Landis Dam” and submitted no later than Friday, November 15, 2024, by 1:00 PM. Proposals must be mailed or hand-delivered to:

Maddalyn Shuffler, Deputy Town Clerk 312 S. Main St. Landis, NC 28088

No submissions or supporting documents will be accepted after this deadline. The Town of Landis assumes no responsibility or liability for costs incurred by the responsive vendor in submitting this proposal. Vendors accept all risks for late delivery of the Proposal Package, regardless of fault.
